---

## **CAUTION**

This equipment is designed and sold for commercial use only by personnel trained and experienced in its operation and is not sold for consumer use in and around the home nor for use directly by the general public in food service locations.

### **CLEANING**

To remove the drawer for cleaning;

First pull the drawer out until it stops.

Second, remove the interior pan.

Third, grasp the drawer assembly with both hands.

Fourth, lift the drawer in an upward direction, while slowly pulling out.

This will disengage the drawer from the drawer stops. To re-install the drawer reverse the procedure.

For retaining the high luster on the stainless steel, use a non-abrasive standard stainless steel cleaner.

### **MAINTENANCE AND REPAIRS**

Contact the factory, a service representative, or a local service company for service or required maintenance.
